In this Institute the result of the students in class tests and the term-end examination are monitored in a very meticulous way, so as to suffice the feedback system of the students, as it matters most. Sometimes, when the authority feels it required, questionnaires are given to different segments of students and ask for their opinion and answer and to submit the same in a confidential manner.

11. Grievance redressal mechanism for faculty, staff and students:

Grievances of the students are redressed in a very judicious way. Sometimes, this Institute has waved out the Tuition fees of the students, which is the only source of funds, whose case has been felt necessary. Exclusively, in case of sudden and untimely demise of father or guardians.

The grievances of the faculty and staff are placed before the Governing Body considering the weightage of the grievances. Decisions are taken on the matters as per the capacity of the Institute and other norms in a humanitarian way.
